

Mountain Bike

Menorca offers unbeatable opportunities to combine sport with the enjoyment of nature.

Mountain biking is a very popular sport in the island. Spectacular scenery and little pathways that arrive everywhere turn Menorca into a special place where do it. We offer you a wide range of routes (several levels, half day, all day) throughout the island and the possibility to do all the island near the coast in five days. We also have bicycles (mountain bike, trekking bike...), tents and an assistance vehicle (to collect your rucksacks in the morning and hand you in the afternoon) if you prefer to know the island yourselves. Bicycle is the best vehicle to

arrive everywhere (natural beaches, ravines, calm places...) healthy and enjoyable.
