

HOTEL CAPRI ★★★

The hotel

The hotel Capri is situated in Mahon, the capital of Minorca, only 10 minutes from the shopping district of the town and not far from some of the most beautiful beaches and coves of the island.

The hotel is right in the centre, with a first-class team who have one single aim: to delight our guests with the new and different experiences that we are able to offer them.

Rooms

75 rooms, totally equipped and recently refurbished, not only in decoration, but also in space design to satisfy each and every one of the necessities of our clients, both on holiday and business trips. Rooms just like at home.

7 apartments with double bedroom, lounge-dining room and kitchen, fully equipped, ideal for long stays or for the more independent.

Restaurants and Cafés

Breakfast lunch and dinner are all served in the “Living del Capri”, which also has Show-cooking. The café-bar “Telegraph”, in the hall of the hotel is very well known in town, it offers snacks and cocktails, it is open from 04.00 pm until midnight although it usually doesn’t close until a lot later on the weekend.

On the ground floor of the hotel you will find the very well known breakfast buffet of the hotel Capri now with show cooking.

Living del Capri

Breakfast lunch and dinner are all served in the "Living del Capri", which also has Show-cooking. The well known breakfast buffet of the hotel Capri now with show cooking.

Bar-Café Telegraph

The café-bar "Telegraph", in the hall of the hotel is very well known in the town, it offers snacks and cocktails, it is open from 16:00pm until midnight although it usually doesn't close until a lot later on the weekend. A special atmosphere with a tranquil environment.

Halls

The hotel has a conference room with capacity for 90 persons, with a megaphone, TV, video and overhead projector. The ideal space for holding meetings and conferences for small and medium businesses.

Le Petit SPA

Located on the 5th floor of the hotel Capri, Le Petit Spa is a health zone with a bathing area, air-conditioning and covered in the summer, with a terrace-solarium and magnificent views over the city and the port. The installations also have cubicles for therapeutic and beauty treatments and a gym with exercise apparatus. The perfect place to discover the true meaning of "wellness culture".
