

DIVING

Minorca offers unbeatable opportunities to combine sport with the enjoyment of nature.

Lovers of the sea have a wide range of activities open to them, from swimming in any of the coves on the island to specific activities such as windsurfing, sailing, water-skiing, fishing, lateen sailing or scuba diving. There are also boat trips around the island and trips to the main points of interest on the coast. Urbanizations offer various services: diving centres (from beginners to advanced), windsurfing centres (Fornells is the best known) as well as the possibility of enjoying other water sports and activities. Other marinas are located in harbours around the island, such as Maó, Addaia, Fornells, Ciutadella or Cala'n Bosch as well as in other smaller locations.
