

WALKING

Minorca offers unbeatable opportunities to combine sport with the enjoyment of nature.

Geologically the island is divided into two symmetrical but very different halves. The **North** has an uneven and rugged coastline with sparse vegetation and numerous islets and reddish and dark sandy beaches. The **South** is made up of calcareous rock, is flat and has smooth cliffs, gullies sculpted by water and coves of white sand surrounded by pines.

Walking à la carte:

- **Price** 35.00 € per person
- **Duration** 4 hours
- **Incudes** Guide, insurance, assistance car

Tour depends on clients' interests and weather conditions.
