Minorca offers unbeatable opportunities to combine sport with the enjoyment of nature.

Menorca has a very clean and crystal-clear waters and a fantastic marine life. These characteristics make Menorca in a perfect place where practice snorkeling.

It is possible to see: octopus, Mediterranean moray, starfishes, groupers..... and lots of small fishes groups.

We do this activity at the reserve marine, in the north of the island. We arrive at place by kayak.

We choose best places (coves, around rocks, algae....) for you.
